The Foundation

The Wings Over Jordan Foundation is dedicated to preserving the legacy of the internationally famous Wings Over Jordan Choir, which graced us with its presence over the airwaves of CBS Radio and in international concert tours from 1938 to 1947.

Needs

- 1) Restoration of crucial parts of the Wings Over Jordan papers collected by Dr. Sam Barber since 1975.
- 2) Funding for final production of a documentary.
- 3) Placing the Wings Over Jordan Foundation on more solid financial footing so that it can continue to preserve this great story and share it now and with future generations.
